

VERSAVIDEO® 65" Ceiling Mounted Video Display

Non-MRI Compatible

Product Description

VERSAVIDEO® Video Displays bring the healing quality of nature or a favorite movie to patients with the tap of a finger. The Video Displays are engineered specifically for use in a healthcare facility and feature PDC's original Nature Videography, DVD integration or customer supplied content. Original 4K Nature Theme videography was developed to alleviate anxiety and improve patient satisfaction. Additional compatible music or patient audio system are also an option.

Features and Benefits

- VERSAVIDEO® Video Display and 4K resolution
- Engineered specifically for healthcare environments
- Portrait, landscape and multiple-display configurations available
- Optional Touch Control System
- Optional Theme lighting and Theme audio integration
- Option for patient preview and Theme selection in a waiting area
